

Something **UNIQUE**

Project AWAKE is selling engraved bricks and granite pavers to be used for patios around several seating areas at the Newton Arboretum and Botanical Gardens. The bricks and pavers will create a unique memento to honor someone or something special as well as generate beautiful seating areas to be enjoyed by all for years to come. Some suggestions for brick or paver purchases include:

- Honoring a bride and groom on their Wedding Day
- A 25th, 40th, or 50th Wedding Anniversary
- An organization
- A graduating class
- A memorial to a person or pet
- A special event
- Your own name or children's name
