

Start: July 1

Ends: Aug 12

Final week's steps must be submitted by August 14 at noon.

Each Wednesday an email with a link to submit your steps will be sent out to report previous week's steps. Participants must submit their previous week's steps by Friday at noon. If you have difficulties using the link please let us know by emailing newtonarboretum@gmail.com.

Individuals who choose to participate with their dog will be entered in their age category and in the Participant and Pooch category.

Each week participants with the most steps in each category will be recognized on the events Facebook page as well at Arboretum's Facebook page.

At the end of the challenge a participant from each category will be selected to receive a prize. The prize for the Participant and Pooch category will include a gift for the pooch.
